The development of Panda America is intertwined with the success of the panda coin series. - **Standards** – Legacy Currency Grading continues to use the standards established by Jason Bradford, our President. He was the first of any major third party grading service to publish these standards. Each banknote is examined by our team of experts, which is the most experienced in the industry with more than 300 years of combined professional numismatic experience.

- **Consistency** – Jason Bradford has continued Legacy Currency Grading with the same team of graders he has had with him dating back to 2005. Every single banknote examined by Legacy Currency Grading has been graded by a team of experts trained directly by the founder of the company. No other grading company can demonstrate this level of consistent application of the same grading standards over time.

- **Integrity** – Legacy Currency Grading is owned and managed by banknote collectors. Each principle in the company, and any full time grader or employee of the company is not permitted to buy and sell banknotes as a dealer. No other third party grading service can demonstrate this level of devotion to protecting and serving the hobby we love.

## 2019 Auspicious Culture Gold and Silver Commemorative Coins

### 2019吉祥文化金银纪念币

在绵延数千年的中华优秀传统文化中，吉祥文化可谓是中国人为津津乐道的。吉祥对于中国人而言，就像水之于鱼，天空之于鸟，空气之于人。在日常生活中，人们讲究说吉祥话、办吉祥事，都是为了讨个好彩头，吉祥文化传承了人们对于美好生活的追求和向往。

中国人民银行定于2019年3月发行2019吉祥文化金银纪念币，主题分别为健康长寿、生儿育女、美满婚姻和吉祥幸福。

Auspicious culture is the most highly favored culture by the Chinese people over thousands of years. It is to the Chinese people what water is to fish, sky to birds, and air to human being. Speaking auspicious words and doing auspicious deeds are considered good omens of fortune, reflecting the pursuit of Chinese people towards a happy life.

The People's Bank of China is to issue 2019 Auspicious Culture Gold and Silver Commemorative Coins in March 2019 with the themes of *longevity*, *bountiful offsprings*, *good marriage* and *happiness*.
